### **VINCI Facilities to Provide Hard FM Services to St Helens and Knowsley Teaching Hospitals NHS Trust**

---

VINCI Construction UK has successfully completed construction of the new Whiston Hospital which has been handed over to VINCI Facilities to provide hard FM services worth over £220m. Works are ongoing to complete phases 2 and 3, which include a £10m refurbishment of part of the old hospital estate and completion of external works.

The Hard FM service is being delivered as part of a 40 year PFI agreement which includes the provision of estates management, M&E and fabric maintenance, cyclical works, grounds maintenance and waste management; all performance managed via a 24/7 on site help desk which is available 365 days a year.

VINCI Construction UK, part of the New Hospitals Consortium, was awarded the design, build and operate contract in 2006 to build two new Hospitals for St Helens and Knowsley Teaching Hospitals NHS Trust.
