### **Norwest Holst Awarded Two Contracts as part of the City Centre Regeneration Project in Wakefield**

---

The Building and Civil Engineering divisions of Norwest Holst (part of VINCI PLC) have been awarded contracts totalling £17.6 million by English Cities Fund Limited as part of a city centre regeneration scheme in Wakefield called the Westgate Development Area.

As part of the development, the Wakefield office of Norwest Holst's Building division has been awarded a £10.8 million contract to design and construct a five-storey multi storey car park.

Norwest Holst's Civil Engineering division has been awarded a £6.8 million contract to redevelop the road network relating to the project. This includes roads drainage, hard and soft landscaping, site preparation, demolition and the construction of a temporary car park.

The Westgate Development Area is one of the most important City Centre development sites in Yorkshire which will provide a new high quality business quarter on the former railway goods yards adjacent to Westgate railway station.
